The names of the sessions are Crops (Soil-Plant system), Livestock (Animal system & Animal-Plant-Soil system), Agro-Food, Landscape, Policy, Costs, Remote, Circular. For example, "Livestock_3_Pinsard".

You will be able to upload your presentation at the workshop.

Poster presentations:

For the participants attending in-person:

Please print and bring your poster. They will be shown during the 3 poster sessions of 1 hour (with 3 parallel sessions). You will have 3 minutes for an oral presentation (please focus mainly on objectives and main conclusions) of your poster (+1 minute questions). Please adjust your speech to the 3 available minutes so as not to cut into the short discussion time.

We will determine the programme of the poster sessions soon.

Poster:

Format: Create your poster in a single slide (portrait format - size 841 x 1189 mm (A0)) and export it in pdf format.

For the participants attending remotely:

Please upload your poster on the website of the workshop. If you wish, you may prepare a video to present your poster, that we will attach to your poster on the website. *We will share with you the link to upload your poster and video soon.*
